Performance Reporting
Local Accountability System

June 2019
Established Local Accountability Systems (LAS) which allow districts and charter schools to voluntarily develop performance measures to locally evaluate the performance of their campuses.

### Domains
- District decision on number of domains included up to a maximum of 5

### Components
- Selected by district to align with local vision of success

### Weighting
- LAS overall weight with state accountability up to maximum of 50%

LAS plans may include fine arts as an area of focus if:

- The component adheres to LAS requirements.
  - Valid, reliable, auditable, and allows for differentiation
  - See LAS Manual for more information.
- The measure is rigorous and focused on student outcomes.

**Sample Components:**

- Enrollment in arts courses above graduation requirements for high school students.
- Successful participation in arts courses, disaggregated by student group.
